**STATEMENT UNDER 37 CFR 1.97(e) ACCOMPANYING
INFORMATION DISCLOSURE STATEMENT**

Docket No.
25429/5

In Re Application Of: Isacson et al.

Application No. 09/917,126	Filing Date July 27, 2001	Examiner Anne Marie Falk	Customer No. 21710	Group Art Unit 1632	Confirmation No. 3321
-------------------------------	------------------------------	-----------------------------	-----------------------	------------------------	--------------------------

Invention: CELL IMPLANTATION THERAPY FOR NEUROLOGICAL DISEASES OR DISORDERS

COMMISSIONER FOR PATENTS:

This is a statement under the provisions of 37 CFR 1.97(e) in the above-identified application.

Check applicable statement herebelow:

Statement Under 37 CFR 1.97(e)(1)

- ☒ Each item of information contained in the accompanying Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement.

Statement Under 37 CFR 1.97(e)(2)

- ☐ No item of information contained in the accompanying Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned person, after making reasonable inquiry, no item of information contained in the accompanying Information Disclosure Statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the Information Disclosure Statement.
